The State Oil and Gas Board of Alabama will hold an emergency hearing at 3:00 p.m. on Friday, January 22, 2016 in the Board Room of State Oil and Gas Board, Walter B. Jones Hall, University of Alabama Campus, 420 Hackberry Lane, Tuscaloosa, Alabama, to consider among other items the following petitions:

1 Docket No. 01-22-16-01

Emergency Petition by LAND AND NATURAL RESOURCE DEVELOPMENT, INC., an Alabama corporation, requesting the State Oil and Gas Board to enter an emergency order, pursuant to Sections 9-17-7(c) and 9-17-12(c) of the Code of Alabama (1975), as amended, and Rule 400-7-1-.04 of the State Oil and Gas Board of Alabama Administrative Code, approving the exceptional location for re-entry of the Winters 19-5 #1 Well, Permit No. 5459, on an alternate 40-acre wildcat oil drilling unit consisting of the Southwest Quarter of the Northwest Quarter of Section 19, Township 18 South, Range 14 West, Pickens County, Alabama, said location being 240 feet from the South line and 320 feet from the East line of said 40-wilcat oil drilling unit. As such, said location is an exception to Rule 400-1-2-.02(2)(a). Petitioner filed a permit application for a 320-acre wildcat gas unit for said well consisting of the West Half of Section 19, Township 18 South, Range 14 West, Pickens County, Alabama, to test the Pottsville sands for gas. Approval of the above-referenced exceptional location for the 40-acre wildcat oil drilling unit will be necessary should the well not be completed as a gas well on the requested 320-acre wildcat gas unit. That the Board, by Order No. 2015-81 issued on December 10, 2015, approved the above-described exceptional location of the Winters 19-5 #1 Well on an alternate 40-acre wildcat drilling unit on an emergency basis.
