

RESULTS
EMERGENCY BOARD HEARING
NOVEMBER 3, 2006

1. DOCKET NO. 11-1-06-27

Emergency Petition by SUNDOWN ENERGY LP, a foreign limited partnership, authorized to do and doing business in the State of Alabama, requesting the State Oil and Gas Board to enter an emergency order approving an exceptional location for the re-entry of the Hammond 13-13 #1 Well, Permit No. 4606, located on a 320-acre drilling unit consisting of the South Half of Section 13, Township 18 South, Range 14 West, Pickens County, Alabama, in the Coal Fire Creek Field. The Hammond 13-13 #1 well was originally permitted at a location 660 feet from the South line and 660 feet from the West line of the unit and the well was subsequently drilled, produced and is now plugged and abandoned. Upon resurveying the well for re-entry, Petitioner discovered that the well was located 720 feet from the West line and 648 feet from the South line of the unit. The well will be an exception to Rule 3(b) of the Special Field Rules for said Field which requires that all wells be located at least 660 feet from every exterior boundary of the drilling unit, and the location of the aforementioned well is only 648 feet from the South line of said 320-acre drilling unit and, as such, is an exception to said Rule.

BOARD ACTION: Granted 11-03-06

ORDER NO. E-2006-175

2. DOCKET NO. 11-2-06-1

Emergency Petition by DOMINION BLACK WARRIOR BASIN, INC., an Alabama corporation, requesting the State Oil and Gas Board to enter an emergency order approving the reformation of a 40-acre wildcat drilling unit for the Bjornson 32-16-07 Well, Permit No. 14620, consisting of the Southeast Quarter of the Southeast Quarter of Section 32, Township 13 South, Range 5 East, St. Clair County, Alabama, to a 320-acre exceptional wildcat drilling unit consisting of the East Half of said Section 32, as an exception to Rule 400-1-2-.02(c) of the *State Oil and Gas Board of Alabama Administrative Code*, which provides that a well may only be drilled on a 320-acre drilling unit in search of gas in Fayette, Lamar, Pickens, or Tuscaloosa Counties.

This emergency petition is filed as a companion to an emergency petition bearing Docket No. 11-2-06-3 requesting approval of the exceptional location of the referenced well on the proposed reformed 320-acre wildcat drilling unit.

BOARD ACTION: Granted 11-03-06 with the stipulation that if the Bjornson 32-16-07 Well is productive that the Operator shall escrow all production royalties for said well pending approval of the ultimate production unit by this Board after notice and hearing.

ORDER NO. E-2006-176

3. DOCKET NO. 11-2-06-2

Emergency Petition by DOMINION BLACK WARRIOR BASIN, INC., an Alabama corporation, requesting the State Oil and Gas Board to enter an emergency order approving the reformation of a 40-acre wildcat drilling unit for the West 21-14-04 Well, Permit No. 14497, consisting of the Southeast Quarter of the Southwest Quarter of Section 21, Township 13 South, Range 4 East, St. Clair County, Alabama, to a 320-acre exceptional wildcat drilling unit consisting of the West Half of said Section 21, as an exception to Rule 400-1-2-.02(c) of the *State Oil and Gas Board of Alabama Administrative Code*, which provides that a well may only be drilled on a 320-acre drilling unit in search of gas in Fayette, Lamar, Pickens, or Tuscaloosa Counties.

This emergency petition is filed as a companion to an emergency petition bearing Docket No. 11-2-06-4 requesting approval of the exceptional location of the referenced well on the proposed reformed 320-acre exceptional wildcat drilling unit.

BOARD ACTION: Granted 11-03-06 with the stipulation that if the West 21-14-04 Well is productive that the Operator shall escrow all production royalties for said well pending approval of the ultimate production unit by this Board after notice and hearing.

ORDER NO. E-2006-177

4. DOCKET NO. 11-2-06-3

Emergency Petition by DOMINION BLACK WARRIOR BASIN, INC., an Alabama corporation, requesting the State Oil and Gas Board to enter an emergency order approving an exceptional location for the Bjornson 32-16-07 Well, Permit No. 14620, on a proposed reformed 320-acre exceptional wildcat drilling unit, said location being 465 feet from the South line and 581 feet from the East line of said proposed reformed 320-acre unit, an exception to Rule 400-1-2-.02(c) of the *State Oil and Gas Board of Alabama Administrative Code*, which requires a well to be located at least 660 feet from every exterior boundary of a 320-acre drilling unit.

This emergency petition is filed as a companion to an emergency petition bearing Docket No. 11-2-06-1 requesting approval of the reformation of the 40-acre wildcat drilling unit for the referenced well to a 320-acre exceptional wildcat drilling unit.

BOARD ACTION: Granted 11-03-06 with the stipulation that a directional survey be run to verify the bottom hole location of the well.

ORDER NO. E-2006-178

5. DOCKET NO. 11-2-06-4

Emergency Petition by DOMINION BLACK WARRIOR BASIN, INC., an Alabama corporation, requesting the State Oil and Gas Board to enter an emergency order approving an exceptional location for the West 21-14-04 Well, Permit No. 14497, on a proposed reformed 320-acre exceptional wildcat drilling unit, said location being 353 feet from the East line of said proposed reformed 320-acre unit, an exception to Rule 400-1-2-.02(c) of the *State Oil and Gas Board of Alabama Administrative Code*, which requires a well to be located at least 660 feet from every exterior boundary of a 320-acre drilling unit.

This emergency petition is filed as a companion to an emergency petition bearing Docket No. 11-2-06-2 requesting approval of the reformation of the 40-acre wildcat drilling unit for the referenced well to a 320-acre exceptional wildcat drilling unit.

BOARD ACTION: Granted 11-03-06 with the stipulation that a directional survey be run to verify the bottom hole location of the well.

ORDER NO. E-2006-179
