STATE OIL AND GAS BOARD OF ALABAMA
EMERGENCY BOARD MEETING
DECEMBER 9, 2010

1. DOCKET NO. 12-7-10-17

Emergency petition by FLETCHER PETROLEUM CORP., a domestic corporation, authorized to do and doing business in the State of Alabama, requesting the State Oil and Gas Board of Alabama to enter an emergency order approving an exceptional bottom hole location for the Amos 36-3 Well (Permit No. 16376) drilled to a bottom hole location approximately 585 feet from the North line and 738 from the East line of a 160-acre wildcat drilling unit consisting of the Northwest Quarter of Section 36, Township 4 North, Range 12 East, Conecuh County, Alabama. Said location is an exception to Rule 400-1-2-.02(2)(b) of the State Oil and Gas Board of Alabama Administrative Code which requires that such a well be located 660 feet from every exterior boundary of the drilling unit. Section 9-17-12(c) of the *Code of Alabama* (1975) authorizes the granting of exceptional locations for the drilling of wells in Alabama.

BOARD ACTION: Granted 12-9-10 with the following stipulations: (1) that information be submitted by Ms. Ruby Williams Jackson identifying by legal description the exact location of her lands; (2) that Ms. Jackson may provide to the supervisor a summary of her position and how her rights of due process are adversely affected and prejudiced; and (3) that the supervisor is authorized upon receipt of production information from the Amos 36-3 Well to review the position of the parties and to consider prorating the production allowable for the Amos 36-3 Well.
